The Debit Card Terms and Conditions

- 1. Parking Rights.** The purchase of a Parking Permit grants the Debit Card Holder a license to park at this Garage, conditioned on the timely payment of parking fees and any additional charges that may be due, and compliance with these Rules and Regulations, as amended from time to time.
- 2. Debit Card Holder Application.** The Debit Card Holder must complete and deliver to Operator a "Debit Card Holder Application" (copy on reverse) to obtain parking privileges. If the information supplied should change, or if Operator should modify the Debit Card Holder Application, the Debit Card Holder must promptly submit a new Debit Card Holder Application.
- 3. Debit Card.** The Debit Card is a daily program allowing access to and from the Garage. The Debit Card will be issued upon the applicant's (i) submission of a completed Debit Card Holder Application. The Debit Card may be used only in accordance with these Rules and Regulations, and at all times remains the property of Operator.
- 4. Payments.** The Debit Card ("Card") is a daily park card used for parking at the Garage. Upon each exit by the Card Holder SP+ Parking (the "Corporation") will charge the Card holder's credit card account on file for the applicable parking charges.
- 5. Parking.** The Card holder shall present a Card upon entering and exiting the Garage, and the Corporation shall charge the appropriate parking charges to the Card holder's account upon exit. The parking charges applicable to the Card holder shall be those charges applicable to the general public, except that the maximum parking charges payable by the Card holder for the use of the Garage during any one calendar day (regardless of the number of entries and exits) shall be the posted maximum daily amount charged to the general public from time to time ("Maximum Daily Rate"). **However, the Card cannot be used in conjunction with other discounts or discount coupons.** The Card holder agrees to use the Garage in a safe and lawful manner and in accordance with any rules and regulations issued by the Corporation. In no way will the Corporation be responsible for any losses or damages incurred by any party by any reason of a Card holder's inability to use the Garage.
- 6. License to Park.** Timely payment of parking fees shall grant to the Card holder a license to park in the Garage; no bailment relationship shall be created. Neither the Corporation nor the Operator shall be responsible or liable for damage to or theft of any vehicle or its contents while located in the Garage, or for injuries suffered by any person while using the Garage.
- 7. Lost Cards.** If a Card is lost or stolen, the Card holder shall immediately complete a lost or stolen card report form, and upon submission to the Operator, the Card may be deactivated to prevent re-use; prior to submission of such form, the Card holder will be solely responsible for any unauthorized use of a Card. A lost, stolen or damaged Card will be replaced promptly upon submission of the form and payment to the Operator of a replacement fee established from time to time by the Corporation. All Cards shall remain the property of the Corporation.
- 8. Expiration, Termination.** The Corporation may terminate the Card immediately without notice in the event that the Card holder fails to comply with any of these Terms and Conditions.
- 9. No Assignment.** The Card holder may not assign, transfer or sell the Card or any parking privileges associated therewith.
- 10. Use of the Garage.** Operator may establish and distribute operating rules relating to proper use of the Garage. A Debit Card Holder must comply with such operating rules, these Rules and Regulations and other applicable laws and regulations, and shall follow safe driving practices at all times while in the Garage.
- 11. No Commercial Use.** The Debit Card may be used only to park a passenger car, van or light truck having a maximum height no greater than the maximum height posted and of such length and width such that it fits within a conventional parking space. The Garage may not be used for parking commercial vehicles or as a staging area for commercial transportation, delivery or other services, except with Operator's prior written consent.
- 12. No Storage, Abandonment.** The Garage may not be used for storage of vehicles or other equipment. Any vehicle or equipment remaining in the Garage for more than thirty (30) calendar days shall be deemed abandoned and may be removed from the Garage (Operator will endeavor, but is not required, to send notification to the Card Holder at the current billing address five (5) days before removal), in which event neither Operator nor the Garage owner shall have any liability to any person for loss or damage on account of such removal. All costs incurred in removing and storing any such abandoned vehicle or equipment shall be reimbursed by the Debit Card Holder upon being billed therefore by Operator.

I certify that I have read and understand the above listed terms and conditions for the Debit Card.
